

How to Book a Flight Online Using SERUKA Platform

Step 1: Visit the Seruka Website

- Go to <https://www.seruka.rw/>.
 - You'll land on the homepage where you can begin your flight search.
-

Step 2: Search for Flights

- Choose your Trip Type:
 - Options: One-way, Round-trip (recommended), or Multi-city.
 -  Round-trip is the default and prioritized for best offers.
 - Select your Departure and Destination cities.
 - Choose your travel dates (departure and return if round-trip).
 - Adjust the Number of Passengers:
 - Default is 1, so update it if you're traveling with others.
 - Choose your Travel Class (Economy (default), Business, First class).
 - Click “Let’s Go” to make a Search.
-

Step 3: View and Compare Flight Offers

- Browse available flights with key details: airline, duration, stops, price, etc.
 - Use filters to refine your options. (optional)
 - Click “Book Now” on the preferred flight.
-

Step 4: Review Flight Details & Enter Passenger Info (Combined on same Page)

- Review selected flight information: times, price, baggage, policies.
 - Enter passenger details below the flight summary:
 - Title, Full Name, Date of Birth, Gender, Nationality, Phone Number, and Email.
 - Ensure the names match the traveler’s ID or passport.
 - Click “Continue” after filling the form.
-

Step 5: Make a Payment

- Choose your Payment Method:
 -  Debit/Credit Card
 -  MTN MoMo
 -  Bank Transfer
 - Review the total cost, including taxes.
 - Complete the payment based on your selected method.
 - Click “Pay Now” to finalize.
-

Step 6: Booking Confirmation

- You'll receive an on-screen confirmation and a booking reference.
- Your e-ticket and trip details will be sent via email.
- You can also access them anytime through the SERUKA dashboard.
